**REQUEST FOR CERTIFICATE OF CORRECTION OF APPLICANTS' ERROR**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Attached hereto is a Certificate of Correction (form PTO/SB/44) adding back in “an entry point map comprising information on entry points of a corresponding” to claim 1 of the above-identified patent to correct an applicants’ error pursuant to 35 USC 255 and 37 CFR § 1.323. The fee of \$100.00 required by 37 CFR 1.20(a) is included via EFS-Web.

The above subject matter was examined and considered during substantive prosecution of the claims and was inadvertently omitted from the final Amendment submitted by Applicants while correcting formal matters only. *See*, for example, the Amendment filed August 12, 2009. It is submitted that the change in claim 1 is the correction of a mistake of a minor character that does not constitute new matter and does not require reexamination.

Accordingly, it is submitted that correction of this error by a Certificate of Correction is proper.

Respectfully submitted,

Dated: August 30, 2010
